SURPLUS LIST NORTHERN GROWN SEEDS

November 20th, 1911.

We find we have a surplus of the following varieties of garden seed beans, after filling our contract orders. These are all 1911 crop and in first-class condition. They were thoroughly rogued, milled and handpicked, are free from all mixture and true to name.

We offer them at the following prices, subject to their being unsold. Prices are for beans delivered on cars at Petoskey, bags extra at value. Wire orders at our expense.

ST. PAUL'S LIST NORTHWEST GROWN SEEDS

November 1st, 1917

We find we have a surplus of the following varieties in our seed stock and they are very cheap. These are all good and of fine quality. They were grown in the Northwest, and are very hardy and reliable. We are offering them at a low price to make room for new stock. We have a large stock of new page extra seed. Write orders at once, please.
